"Chit-Chat of Humor, Wit and Ancedote? Here is a book for the atrabitious and melancholy. It is full of comiculities, and contains a cayriad of amusing ancedotes—most of them fresh, and all unbackneyed. Bleasanter Summer reading one need not say for."

"This volutes is made up of collected facts, jokes, witticiams, elegant extracts, sober sense, and impoent folly. Its main purpose is the amusement of the reader, but this is not all.
